Abolition of certain Village Courts.

READ—

Paragraph 4 of Government Order No. P. 3382-91—Cts. 160-24-2, dated 8th January 1925, observing that as many as 87 Village Courts had no work during the year 1923-24 and requesting the Revenue Commissioner to investigate and submit proposals for the abolition or the revival of these Village Munsffis' Courts.

2. Letter No. C. 2188—24-25, dated 11th August 1925, from the Revenue Commissioner in Mysore, forwarding statements received from the Deputy Commissioners of Districts and recommending that 53 Village Courts in the various districts may be abolished.

3. Correspondence ending with letter No. C. 2188, dated the 5th April 1926, from the Revenue Commissioner in Mysore, stating that it is reported that some cases are pending in 4 of the Village Courts recommended to be abolished and that these courts also may be abolished as originally recommended, the pending cases being transferred to the Munsffis' Courts having jurisdiction over the area.

ORDER NO. P. 5916-25—CTS. 56-25-6, DATED 17TH MAY 1926.

From the statements submitted by the Deputy Commissioners, Government observe that out of the 87 courts which did no work during the year 1923-24, no suits were filed at all in some of the courts since their establishment, that in respect of some others the courts could not be formed as competent men were not available to be appointed as Village Munsffis and that in the case of one of the courts the village had been submerged under Kannambady.

2. The Deputy Commissioners have recommended that 34 of these courts may be given a further chance and kept on for some time longer as they can be made to show better work by changing the presiding officer or by extending the territorial jurisdiction. These courts will accordingly be continued and the Deputy Commissioners requested to take suitable steps to improve their working.

3. The four courts noted in margin which are stated to have a few cases pending on their file, will also be continued for the present and proposals for their abolition submitted, if necessary, if they are found to have no work in future.

4. As the remaining 49 courts which are detailed in the annexed list are not serving any useful purpose and their further continuance is not therefore necessary in public interests, Government are pleased to direct that these courts be abolished with effect from 1st July 1926.

5. A separate notification will be issued abolishing these courts.
